Kenmore Bridge Club Inc. COVID-19 SAFE PLAN

Bridge falls under the Queensland Government Indoor Sports Plan where the bridge table is regarded as the field of play. The 1.5m social distancing rule is applicable to all areas outside the field of play. Players will have to register/book prior to playing so as to best utilise the restricted number of places available. Players not registering/booking will not be accepted and players should inform the director or session coordinator if they change their mind about playing or become ill so people on the waiting list can be accepted for play.

To comply with this plan we will undertake the following:

1. The Premises will be arranged so that from the implementation of Stage 5 Restrictions, a maximum of 36 people (i.e. 32 players) will be able to attend and follow the distancing requirements of 1.5m between people and no more than 1 person per 2sqm inside.

2. The club will be arranged so that players will move in only one direction through the club house. Players will enter only by the kitchen door and leave only by the library or toilet external doors.. No Entry and No Exit signs will be placed on these doorways as a reminder.

3. KBC members, their registered friends and visitors, away members and ABF Youth members can attend the playing sessions at this time. Due to restricted numbers KBC members and ABF Youth members will be given preference. Booking with non- KBC member friends may be made three days prior to play.

4. All players are encouraged to have received the recommended COVID-19 Vaccine and the 2021 Flu Vaccine and to have downloaded the COVID19 Safe app to their phone.

5. All players must provide their own pens/pencils to complete personal record sheets and to make their bids.

6. Players are requested to provide their own water bottle or flask drink. (Cups, glasses and hot water are not available).

7. Payment will be by a pre-purchased coupon only. Strips of 10 coupons can be pre- purchased by Direct Debit or with $60 cash (no change given) at the Club. Exception: non-members pay $8 cash at the table.

8. All players will follow these protocols –

- Register/book on the website to reserve your place for a session.
- If you have already signed a KBC Health Declaration form, by attending a session you are confirming nothing has changed.
- If you have not previously signed a KBC Health Declaration form, please do so before entering the Club.
- Before entering the club, each player will sanitise their hands and collect a placemat.
- As players move from table to table they will take their placemat with them. This is the only surface players' hands will touch while at the table. At the end of the session sanitise and return the placemat to a box placed outside for this purpose.
- At the end of each round – use hand sanitiser.
- Bridgemates will be handled by North only. North will show East or West Bridgemate scores for visual checking.
- Boards will be handled by South only. South will hand them to the next South. The movement will only be in one direction from the kitchen room, through the middle room and to the library room where players will exit to return to the kitchen.

- Players should only move when the movement is called.

- Exceptions: Director can move at personal discretion. South may deliver cards against movement direction when no EW players are moving.

9. Players will not mingle after play as social distancing applies as soon as play has finished. At the end of each day, the premises including toilets and hand basins, sinks etc. will be professionally cleaned. No tablecloths will be used.

Remember in general:
Players must practice physical distancing as much as possible and:
• wash hands regularly with soap and water, and use alcohol-based sanitiser
• avoid hugs, kisses and handshakes
• wherever possible keep at least 1.5 metres away, two big steps, from people you don't live with.

Elizabeth Handley President KBC
