
Sponsors --- Rally your family and friends

to support these organisations who support Kenmore Bridge Club

The Kenmore Bridge Club and TBIB - Insurance Brokers to the ABF and it's members - have entered into an agreement whereby TBIB will remit sponsorship funds to the club every time one of our members - or their family and friends - uses TBIB to arrange their domestic or commercial insurance. This applies to Motor Vehicle Cover, Home and Contents, Body Corporate, Caravans and Boats, Commercial Property and Landlords cover and Business, Liability and Professional Indemnity insurance and anything else you want to throw at them. This arrangement won't include the ABF Travel Insurance as TBIB already provides substantial financial support to the Bridge Community in this respect.

Please don't forget the ABF Members' Multi-trip and Single Trip Insurance. We believe it's the best and most convenient way to ensure that you are adequately covered when you travel.

If you are travelling this year, your first priority should be to contact TBIB to make sure your arrangements are in place. Please don't leave it to chance.

TBIB have been insuring the ABF and many clubs and members around Australia for some years now and their service and expertise have always been first rate. We are very excited about this arrangement with TBIB and what it could mean for our club if we really give this a go.

Compare your insurance premiums and call TBIB for a quote. Contact Josh or Steve on 07 3252 5254, or email joshuadejun@tbib.com.au or steveweil@tbib.com.au
