Better Scores in Teams

Monday 17 June 12.30 – 1.30 on Zoom or at the Club

Our Kenmore players enjoying playing at the Gold Coast Congress

Peter is a Kenmore member, one of Queensland's top bridge players and is an exceptional teacher. This is a wonderful opportunity to help us enjoy competitive bridge.

Peter will suggest how to know when to go for broke or when to pull back and be conservative to achieve a better score.

When to bid to game and when to bid a slam.

When to try for the extra trick and when to be happy to just make the contract.

Join us as usual on the zoom link located on the Booking page, or at the Club.

There will be no recording of this session.
