Decide which suit to lead. Partner's suit is paramount. in general, don't lead suits that the opponents have bid. Use recommended leads e.g. in no trumps: top of a sequence of 3 touching, or near touching; in a suit contract: top of two or more touching; low card from an honour, top of a doubleton, 4th highest of suit with an honour, 2nd highest of 4 card suit without an honour, etc.</p> <p>Remember for opening leads it is ok to underlead an Ace with 4th best in no-trump contract, but do not underlead an outside Ace in a suit contract – opponents may only have a singleton K in suit contract and Aces are to capture high honours.</p> <p>Agree with partner if a Low card or a High card is used for encouragement</p> | | | | | | | | | | | | | | | | | | | | | | | | |
